

The Secular Society

(The piece is suitable for festivals in Scandinavia or in other secular regions.)

Location: About 70-200 m2. The space must consist of at least 8 smaller rooms or sections. The space can be in a poor and bleak condition. Suitable would be an office, an apartment, a closed store, a closed dentist/healthcare center, a former hostel and alike. The space is to be found and selected in close collaboration with Poste Restante. During constructing period, performance period and deconstructing period Poste Restante needs full and complete access to the space.

Audience capacity: 30 per night.

Duration: 3-5 hours.

Performances: 4 or more

Number of performers: 14

Constructing period: 3 weeks.

Deconstruction period: 2 days.

Marketing and booking: There is need for a custom made booking solution. Each visitor is given a personal slot, and therefore a personal time of arrival.

Tech Raider:

Transport: 16m3/680kg

40 chairs of one kind, in 1940-1960's style.

8 tables of similar kind
